A Sparkling Evening to Shine

Seeing our Schott participants walk down the “runway” at this fashion show each year is truly inspiring. The pride, confidence and joy these young “models” display leads many of us to want to overcome whatever adversities we may face. Tonight’s glittering affair and daily shining moments happen because of your support for Schott Communities and your belief in our ongoing commitment, dedication and caring for people with special needs in our South Florida community.

Our founders, Fr. Jim Vitucci, Sister Conleath Brannan and our benefactor Mr. Joseph Schott, had a vision to create a remarkable site to be a source of hope and support for thousands of exceptional individuals in our area. Today, Schott Communities acts as a vibrant gathering place for hundreds of participants who enjoy our daily programs, live in our residential community, visit St. Jude Chapel and are joyfully involved in many of the services and events we provide.

We hope you will continue to join us in our mission to help those who are deaf or disabled, and see them shine brightly with your support today and for many years to come.
